## Statement by the Executive Board on the annual report

---

We have on this day presented the annual report for the financial year 01.01.21 - 31.12.21 for K/S Gl. Kongevej 74A.

The annual report is presented in accordance with the Danish Financial Statements Act (Årsregnskabsloven).

In our opinion, the financial statements give a true and fair view of the company's assets, liabilities and financial position as at 31.12.21 and of the results of the company's activities for the financial year 01.01.21 - 31.12.21.

We believe that the management's review includes a fair review of the matters dealt with in the management's review.

The annual report is submitted for adoption by the general meeting.

Copenhagen, March 1, 2022

### Executive Board

Robert William Tieskens  
AG SH Gammel Kongevej GP B.V.

Meta Sophia Beemer  
AG SH Gammel Kongevej GP  
B.V.

Anuj Kumar Mittal  
AG SH Gammel Kongevej GP B.V.

**To the owner of K/S Gl. Kongevej 74A****Opinion**

We have audited the financial statements of K/S Gl. Kongevej 74A for the financial year 01.01.21 - 31.12.21, which comprise the income statement, balance sheet, statement of changes in equity and notes to the financial statements, including a summary of significant accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act (Årsregnskabsloven).

In our opinion the financial statements give a true and fair view of the company's assets, liabilities and financial position at 31.12.21 and of the results of the company's operations for the financial year 01.01.21 - 31.12.21 in accordance with the the Danish Financial Statements Act (Årsregnskabsloven).

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Statement regarding the management's review**

Management is responsible for management's review.

Our opinion on the financial statements does not cover management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read management's review and, in doing so, consider whether management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Acts. We did not identify any material misstatement of management's review.

**Management's responsibility for the financial statements**

The Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act. Furthermore the Management is responsible for the internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with International Standards on Auditing and the additional requirements applicable in Denmark, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Primary activities**

The company's activities comprise acquiring, owning, operating, developing, selling and otherwise dealing with real estate as well as related business activities.

**Development in activities and financial affairs**

The income statement for the period 01.01.21 - 31.12.21 shows a profit/loss of DKK -19,828,378 against DKK -16,810,726 for the period 01.01.20 - 31.12.20. The balance sheet shows equity of DKK 58,396,925.

Global financial markets have experienced and may continue to experience significant volatility resulting from the spread of a novel coronavirus known as COVID-19. The outbreak of COVID-19 has resulted in travel and border restrictions, quarantines, supply chain disruptions, lower consumer demand and general market uncertainty. The effects of COVID-19 have and may continue to adversely affect the global economy, the economies of certain nations and individual issuers, all of which may negatively impact the Company's performance for the coming year.

**Subsequent events**

No important events have occurred after the end of the financial year.

<b>Total</b>	<b>0</b>	<b>259,232,309</b>	<b>228,951,029</b>

The amounts owed to group companies have no repayment obligation (e.g. they are interest-only) within the next 12 months. Furthermore, according to the loan agreements, the company is not obliged to pay any interest payments if the company does not have sufficient cash available to pay any interest that has accrued. Such interest shall be accrued and added to the principal amount of the Mezzanine Facility loan. Such Mezzanine Capitalized Portion shall carry interest as it was originally drawn under the loan and shall be repaid on the Mezzanine Facility Final Repayment Date in full or, if the Mezzanine Facility loan is prepaid, on the date of the prepayment pro rata to the prepaid amount.

#### 5. Contingent liabilities

The company has no contingent liabilities as at 31.12.21.

#### 6. Charges and security

The company has issued mortgage deed registered to the mortgagor in the total amount of DKK 151,9k secured upon land and buildings with a carrying amount of DKK 313,974k as of 31.12. The mortgage deed registered to the mortgagor, DKK 151,9k, has been provided as security for debt to the credit institution.

Cash with carrying amount of DKK 0 as of 31.12 has been provided as security for debt to the credit institution.

## 7. Accounting policies

### GENERAL

The annual report is presented in accordance with the provisions of the Danish Financial Statements Act (*Årsregnskabsloven*) for enterprises in reporting class B with application of provisions for a higher reporting class.

The accounting policies have been applied consistently with previous years.

### Basis of recognition and measurement

Income is recognised in the income statement as earned, including value adjustments of financial assets and liabilities. All expenses, including depreciation, amortisation, impairment losses and write-downs, are also recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits will flow to the company, and the value of such assets can be measured reliably. Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow from the company, and the value of such liabilities can be measured reliably. On initial recognition, assets and liabilities are measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

On recognition and measurement, account is taken of foreseeable losses and risks arising before the date at which the annual report is presented and proving or disproving matters arising on or before the balance sheet date.

### CURRENCY

The annual report is presented in Danish kroner (DKK).

On initial recognition, transactions denominated in foreign currencies are translated using the exchange rates applicable at the transaction date. Exchange rate differences between the exchange rate applicable at the transaction date and the exchange rate at the date of payment are recognised in the income statement as a financial item. Receivables, payables and other monetary items denominated in foreign currencies are translated using the exchange rates applicable at the balance sheet date. The difference between the exchange rate applicable at the balance sheet date and at the date at which the receivable or payable arose or was recognised in the latest annual report is recognised under financial income or expenses in the income statement. Fixed assets and other non-monetary assets acquired in foreign currencies are translated using historical exchange rates.

**7. Accounting policies** - continued -**INCOME STATEMENT****Gross loss**

Gross loss comprises property costs and other external expenses.

**Property costs**

Property costs comprise costs relating to property management, including repair and maintenance costs, real property taxes, insurance, overhead costs and other costs.

**Other external expenses**

Other external expenses comprise costs relating to distribution, sales and advertising and administration, premises and bad debts to the extent that these do not exceed normal write-downs.

**Other net financials**

Interest income and interest expenses, foreign exchange gains and losses on transactions denominated in foreign currencies etc. are recognised in other net financials.

**Tax on profit/loss for the year**

The company is not an independent tax entity. Tax is therefore not recognised in the financial statements, as current and deferred tax is payable by the limited partners and the general partner.

**BALANCE SHEET****Property, plant and equipment***Property, plant and equipment under construction*

Property, plant and equipment under construction are measured at cost. Costs incurred on property, plant and equipment under construction are transferred to the relevant asset category when the asset is ready for use.

Gains and losses on the disposal of property, plant and equipment are determined as the difference between the selling price, if any, less selling costs and the carrying amount at the

## 7. Accounting policies - continued -

date of disposal less any costs of disposal.

### **Impairment losses on fixed assets**

The carrying amount of fixed assets which are not measured at fair value is assessed annually for indications of impairment over and above what is reflected in depreciation and amortisation.

If the company's realised return on an asset or a group of assets is lower than expected, this is considered an indication of impairment.

If there are indications of impairment, an impairment test is conducted of individual assets or groups of assets.

The assets or groups of assets are impaired to the lower of recoverable amount and carrying amount.

The higher of net selling price and value in use is used as the recoverable amount. The value in use is determined as the present value of expected net cash flows from the use of the asset or group of assets as well as expected net cash flows from the sale of the asset or group of assets after the expiry of their useful lives.

Impairment losses are reversed when the reasons for the impairment no longer exist.

### **Receivables**

Receivables are measured at amortised cost, which usually corresponds to the nominal value, less write-downs for bad debts.

Write-downs for bad debts are determined based on an individual assessment of each receivable if there is no objective evidence of individual impairment of a receivable.

### **Prepayments**

Prepayments recognised under assets comprise costs incurred in respect of subsequent financial years.

### **Cash**

Cash includes deposits in bank accounts as well as operating cash.

**7. Accounting policies** - continued -**Payables**

Long-term payables are measured at cost at the time of contracting such liabilities (raising of the loan). The payables are subsequently measured at amortised cost where capital losses and loan expenses are recognised in the income statement as a financial expense over the term of the payable on the basis of the calculated effective interest rate in force at the time of contracting the liability.

Short-term payables are measured at amortised cost, normally corresponding to the nominal value of such payables.
