Basis for opinion

We performed the extended review in accordance with the standard from the Danish Business Authority applicable to auditor's reports on small enterprises and in accordance with the standard from the Danish Institute of State Authorised Public Accountants applicable to extended review of financial statements prepared in accordance with the Danish Financial Statements Act. Our responsibilities under those standards and requirements are further described in the section "Auditor's responsibilities for the extended review of the financial statements". We are independent of the company in accordance with international ethics standards for accountants (IESBA's Code of Ethics) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these standards and requirements. We believe that the evidence obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation of financial statements that give a fair presentation in accordance with the Danish Financial Statements Act. Management is also responsible for such internal control as the management considers necessary to prepare financial statements that are free from material misstatement, whether due to fraud or error.

Based on the work we have performed, we believe that the management commentary is consistent with the financial statements and that it has been prepared in accordance with the requirements of the Danish Financial Statement Acts.
