Statement by the Executive Board

The Executive Board has today discussed and approved the annual report of Palak Holding IVS for the financial year 1 January – 31 December 2020.

The annual report, which has not been audited, is presented in accordance with the Danish Financial Statements Act.

In my opinion, the financial statements give a true and fair view of the Company's assets, liabilities and financial position at 31 December 2020 and of the results of the Company's operations for the financial year 1 January – 31 December 2020.

Further, in my opinion, the Management's review gives a fair review of the matters discussed in the Management's review.

I recommend that the annual report be approved at the annual general meeting.

Notes

1 Accounting policies

The annual report of Palak Holding IVS for 2020 has been prepared in accordance with the provisions applying to reporting class B entities under the Danish Financial Statements Act with opt-in from higher reporting classes.

The accounting policies used in the preparation of the financial statements are consistent with those of last year.

Change in comparative figures

There has been made adjustments to the comparative figures of prior years presentation of investments, to align these with the use of equity method.

Income statement

Gross profit

Pursuant to section 32 of the Danish Financial Statements Act, the Company has decided only to disclose gross profit.

Other external costs

Other external costs comprise costs related to administration, etc.

Income from equity investments in participating interests

The proportionate share of the participating interests profit/loss after tax is recognised in the Parent Company's income statements after elimination of a proportionate share of intra-group gains/losses and amortisation of goodwill.

Balance sheet

Equity investments in participating interests

Equity investments in associates are measured at the proportionate share of the entities' net asset value calculated in accordance with the Parent Company's accounting policies plus or minus unrealised intra-group gains or losses and plus or minus the residual value of positive and negative goodwill calculated in accordance with the acquisition method.

Equity investments in associates with negative net asset values are measured at DKK 0, and any receivables from these entities are written down to the extent that the receivables are deemed irrecoverable. To the extent that the Parent Company has a legal or constructive obligation to cover a negative balance exceeding the receivable, the residual amount is recognised as provisions.

Cash at bank and in hand

Cash and cash equivalents comprise cash.
