Management's report

Today, the managing director has presented the annual report of Kandrei Holding IVS for the financial year 1 April - 31 December 2019.

The annual report has been presented in accordance with the Danish Financial Statements Act.

I consider the accounting policies appropriate and, in my opinion, the financial statements provide a fair presentation of the company's assets, equity and liabilities, and financial position at 31 December 2019 and of the company's results of activities in the financial year 1 April – 31 December 2019.

The managing director consider the conditions for audit exemption of the 2019 financial statements to be met.

I am of the opinion that the management commentary presents a fair account of the issues dealt with.

We recommend that the annual report be approved by the general meeting.

Management commentary

The principal activities of the company

Events occurring after the end of the financial year

The company faces challenges and financial risks due to the Corona virus/COVID-19.

Given the major uncertainty the Corona virus/ COVID-19 has created and the uncertainty about the duration of the situation, it is currently not possible to make a reasonable assessment of the financial consequences of the Corona crisis.

Prior to the Corona virus/COVID-19, expectations were a result in line with 2019.
