# Statement by management

The Executive Board has today considered and approved the annual report of Skelbækgade 2-4 Tenant ApS (the "Company") for the financial year 01.01.2020 - 31.12.2020.

The annual report is presented in accordance with the Danish Financial Statements Act.

In my opinion, the financial statements give a true and fair view of the Company's financial position at 31.12.2020 and of the results of its operations for the financial year 01.01.2020 - 31.12.2020.

I believe that the management commentary contains a fair review of the affairs and conditions referred to therein.

I consider the preconditions for not auditing the financial statements for the financial year 01.01.2020 - 31.12.2020 as complied with.

I recommend the annual report for adoption at the Annual General Meeting.

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class B enterprises with addition of certain provisions for reporting class C.

The accounting policies applied to these financial statements are consistent with those applied last year. The financial period in 2019 was 12.04.2019 - 31.12.2019.

Unless otherwise stated these financial statements are presented in thousands of Danish Kroner (DKK '000), which is the functional currency of the Company.

## Income statement

### **Other external expenses**

Other external expenses include expenses relating to the Company's ordinary activities, including expenses for premises, stationery and office supplies, marketing costs, etc.

### **Other financial income**

Other financial income comprises of exchange gains on transactions in foreign currencies.

### **Other financial expenses**

Other financial expenses comprises of exchange loss on transactions in foreign currencies.

## Balance sheet

### **Property, plant and equipment**

Land and buildings, plant and machinery, and other fixtures and fittings, tools and equipment are measured at cost less accumulated depreciation and impairment losses.

Cost comprises the acquisition price, costs directly attributable to the acquisition and preparation costs of the asset until the time when it is ready to be put into operation.

The basis of depreciation is cost less estimated residual value after the end of useful life. Straight-line depreciation is made on the basis of the estimated useful lives of the assets.

For leasehold improvements and assets subject to finance leases, the depreciation period cannot exceed the contract period.

Estimated useful lives and residual values are reassessed annually.

Items of property, plant and equipment are written down to the lower of recoverable amount and carrying amount.

### **Receivables**

Receivables are measured at amortised cost, usually equalling nominal value, less writedowns for bad and doubtful debts.

**Other financial liabilities**

Other financial liabilities are measured at amortised cost, which usually corresponds to nominal value.
