Notes:

- To ensure the greatest possible applicability of this document, IAS/IFRS English terminology has been used.
- Please note that decimal points have not been used in the usual English way. This means that for instance DKK 146.940 means the amount of DKK 146,940, and that 23,5 % means 23.5 %.

Management's statement

Today, the Managing Director has approved the annual report of Camping Denmark ApS for the financial year 1 January - 31 December 2022.

The annual report has been prepared in accordance with the Danish Financial Statements Act.

I consider the chosen accounting policy to be appropriate, and in my opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2022 and of the results of the Company's operations for the financial year 1 January – 31 December 2022.

Further, in my opinion, the Management's review gives a true and fair review of the matters discussed in the Management's review.

We recommend that the annual report be approved at the Annual General Meeting.

København K, 4 May 2023

Managing Director

Daniel Vesti Knuttel

Independent auditor's report

To the Shareholders of Camping Denmark ApS

Conclusion

We have performed an extended review of the financial statements of Camping Denmark ApS for the financial year 1 January – 31 December 2022, which comprise income statement, balance sheet, statement of changes in equity and notes, including policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

Based on the work performed, in our opinion, the financial statements give a true and fair view of the Company's financial position at 31 December 2022 and of the results of the Company's operations for the financial year 1 January – 31 December 2022 in accordance with the Danish Financial Statements Act.

Basis for conclusion

We conducted our extended review in accordance with the Danish Business Authority's Assurance Standard for Small Enterprises and FSR – Danish Auditors' standard on extended review of financial statements prepared in accordance with the Danish Financial Statements Act. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the extended review of the financial statements" section of our report. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Independent auditor's report

Auditor's Responsibilities for the extended review of the Financial Statements

Our responsibility is to express a conclusion on the financial statements. This requires that we plan and perform procedures in order to obtain limited assurance for our conclusion on the financial statements and in addition perform specifically required supplementary procedures to obtain further assurance for our conclusion.

An extended review comprises procedures that primarily consist of making inquiries of Management and others within the Company, as appropriate, analytical procedures and the specifically required supplementary procedures as well as evaluation of the evidence obtained.

The procedures performed in an extended review are less than those performed in an audit, and accordingly, we do not express an audit opinion on the financial statements.

Statement on the Management's Review

Management is responsible for the Management's review.

Our conclusion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our extended review of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the extended review, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the Management's review.

Company information

The company	Camping Denmark ApS Hyskenstræde 3, st. th 1207 København K
	Company reg. no. 41 26 61 12 Financial year: 1 January 2022 - 31 December 2022
Managing Director	Daniel Vesti Knuttel
Auditors	EY Godkendt Revisionspartnerselskab, Dalgasgade 27, 3. sal 7400 Herning
Parent company	Nordic Hospitality Partners Denmark A/S

Management's review

The principal activities of the company

Like previous years, the company's purpose is to operate a take-away restaurant / hub.

Recognition and measurement uncertainties

The Company forms part of the Nordic Hospitality Partners Denmark A/S' joint taxation unit. The joint taxation unit has a tax loss carryforward, which was generated in 2020 and 2021, respectively, in connection with the close-down under COVID-19 and in 2018 and 2019, respectively, during which activities in Denmark were restructured and costs optimised.

Consequently, Management has decided to capitalise deferred tax in relation to the tax loss carryforward. Management has decided only to capitalise deferred tax for the total joint taxation corresponding to the amount which will expectedly be utilised in the coming 4 income years in the joint taxation.

Reference is made to Note 2.

Development in activities and financial matters

The gross loss for the year totals DKK -54.449 against DKK -78.782 last year. The result from ordinary activities after tax totals DKK -33.679 against DKK -77.598 last year. The management does not consider the result profit for the year satisfactory.

The company has lost a part of its equity. For the financial year 2023, management expects a positive result which will result in the company being able to respond to its obligations. The company expects to restore its equity within a shorter number of years.

2022 has been a year with huge ups and downs. The good part of the story is that we finally got rid of Corona restrictions, resulting in a very good period from March to July. In the second part of the year Inflation and energy crisis have had a substantial effect on both our cost side and our average spend per customer. Due to most of our units being 'value for money' our guest flow has been on a fairly good level.

We have spent the time during Corona wisely. Especially when it comes to controlling our costs and reducing the size of our overheads. This means that our ability to earn money has improved drastically.

As the budgets were made in October 2021, before we knew about the last lock down in December 2021, all budgets were made from a non-Corona perspective. But Corona had a huge impact in the beginning of year 2022.

We did not achieve our budgeted EBITDA target due to the following reasons: January and February still with Corona restrictions. Increasing rents and cost of goods together with electricity prices going up due to war in Ukraine and inflation. Our customers spend less money, especially in the last quarter.

Management's review

We are very optimistic for the coming year and the future in general. We do see some negative trends in consumer behavior in the beginning of 2023 but believe that second half of 2023 will stabilize.

The Company has received a letter of comfort from NoHo Partners Oyj, to ensure that the Company can continue its operations and meet their liabilities as they fall due.

Reference is made to Note 1.

Notes

All amounts in DKK.

1. Going concern uncertainties

The company has lost a part of its equity. For the financial year 2023, management expects a positive result which will result in the company being able to respond to its obligations. The company expects to restore its equity within a shorter number of years.

The Company has received a letter of comfort from NoHo Partners Oyj, to ensure that the Company can continue its operations and meet their liabilities as they fall due.

2. Recognition and measurement uncertainties

The Company forms part of the Nordic Hospitality Partners Denmark A/S' joint taxation unit. The joint taxation unit has a tax loss carryforward, which was generated in 2020 and 2021, respectively, in connection with the close-down under COVID-19 and in 2018 and 2019, respectively, during which activities in Denmark were restructured and costs optimised.

Consequently, Management has decided to capitalise deferred tax in relation to the tax loss carryforward. Management has decided only to capitalise deferred tax for the total joint taxation corresponding to the amount which will be expectedly be utilised in the coming 4 income years in the joint taxation.

3. Subsequent events

No events materially affecting the assessment of the Annual Report have occurred after the balance sheet date.

4. Other financial expenses

	<u>2022</u>	<u>2021</u>
Financial costs, group enterprises	1.810	268
Other financial costs	<u>1.311</u>	<u>1.161</u>
	<u>3.121</u>	<u>1.429</u>

5. Payables to subsidiaries

Balances includes partly unsettled internal trade of services and part of the company's share of the group's cash-pool agreement with a credit institution.

Notes

All amounts in DKK.

6. Contingencies

Joint taxation

With Nordic Hospitality Partners Denmark A/S, company reg. no 39427958 as administration company, the company is subject to the Danish scheme of joint taxation and unlimitedly, jointly, and severally liable, along with the other jointly taxed companies, for the total corporation tax.

The company is unlimitedly, jointly, and severally liable, along with the other jointly taxed companies, for any obligations to withhold tax on interest, royalties, and dividends.

The jointly taxed enterprises' total known net liability to the Danish tax authorities emerges from the financial statements of the administration company.

Any subsequent adjustments of corporate taxes or withholding tax, etc., may result in changes in the company's liabilities.

7. Related parties

Consolidated financial statements

The company is included in the consolidated financial statements of NoHo Partners Oyj, Hatanpään Valtatie 1B FI 33100.

Accounting policies

The annual report for Camping Denmark ApS has been presented in accordance with the Danish Financial Statements Act regulations concerning reporting class B enterprises. Furthermore, the company has decided to comply with certain rules applying to reporting class C enterprises.

The accounting policies are unchanged from last year, and the annual report is presented in DKK.

Income statement

Gross loss

The company has adopted § 32 from the Danish Financial Statements Act.

Gross loss comprises external costs.

Other external costs

Other external costs comprise costs for administration.

Financial income and expenses

Financial income and expenses are recognised in the income statement with the amounts concerning the financial year. Financial income and expenses comprise interest income and expenses.

Tax for the year

Tax for the year comprises the current tax for the year and the changes in deferred tax, and it is recognised in the profit and loss account with the share referring to the results for the year and directly in the equity with the share referring to entries directly on the equity.

The company is subject to the Danish legislation concerning compulsory joint taxation with the Danish group enterprises.

The current Danish corporate tax is allocated among the jointly taxed companies in proportion to their respective taxable income (full allocation with reimbursement of tax losses).

Balance sheet

Receivables

Receivables are measured at amortised cost, which usually corresponds to nominal value.

In order to meet expected losses, impairment takes place at the net realisable value. The company has chosen to use IAS 39 as a basis for interpretation when recognising impairment of financial assets, which means that impairments must be made to offset losses where an objective indication is deemed to have occurred that an account receivable or a portfolio of accounts receivable is impaired. If an objective indication shows that an individual account receivable has been impaired, an impairment takes place at individual level.

Accounting policies

Accounts receivable for which there is no objective indication of impairment at the individual level are evaluated at portfolio level for objective indication of impairment. The portfolios are primarily based on the debtors' domicile and credit rating in accordance with the company's and the group's credit risk management policy. Determination of the objective indicators applied for portfolios are based on experience with historical losses.

Impairment losses are calculated as the difference between the carrying amount of accounts receivable and the present value of the expected cash flows, including the realisable value of any securities received. The effective interest rate for the individual account receivable or portfolio is used as the discount rate.

Income tax and deferred tax

Current tax liabilities and current tax receivable are recognised in the statement of financial position as calculated tax on the taxable income for the year, adjusted for tax of previous years' taxable income and for tax paid on account.

The company is jointly taxed with consolidated Danish companies. The current corporate income tax is distributed between the jointly taxed companies in proportion to their taxable income and with full distribution with reimbursement as to tax losses. The jointly taxed companies are comprised by the Danish tax prepayment scheme.

Joint taxation contributions payable and receivable are recognised in the statement of financial position as "Tax receivables from group enterprises" or "Income tax payable to group enterprises"

According to the rules of joint taxation, Camping Denmark ApS is unlimitedly, jointly, and severally liable to pay the Danish tax authorities the total income tax, including withholding tax on interest, royalties, and dividends, arising from the jointly taxed group of companies.

Deferred tax is measured on the basis of temporary differences in assets and liabilities with a focus on the statement of financial position. Deferred tax is measured at net realisable value.

Adjustments take place in relation to deferred tax concerning elimination of unrealised intercompany gains and losses.

Deferred tax is measured based on the tax rules and tax rates applying under the legislation prevailing in the respective countries on the reporting date when the deferred tax is expected to be released as current tax. Changes in deferred tax due to changed tax rates are recognised in the income statement, except for items included directly in the equity.

Deferred tax assets, including the tax value of tax losses allowed for carryforward, are recognised at the value at which they are expected to be realisable, either by settlement against tax of future earnings or by set-off in deferred tax liabilities within the same legal tax unit. Any deferred net tax assets are measured at net realisable value.

Accounting policies

Liabilities other than provisions

Financial liabilities other than provisions related to borrowings are recognised at the received proceeds less transaction costs incurred. In subsequent periods, the financial liabilities are recognised at amortised cost, corresponding to the capitalised value when using the effective interest rate. The difference between the proceeds and the nominal value is recognised in the income statement during the term of the loan.

Balances includes partly unsettled internal trade of services and part of the company's share of the group's cash-pool agreement with a credit institution.

Other liabilities concerning payables to suppliers, group enterprises, and other payables are measured at net realisable value which usually corresponds to the nominal value.
