Management review

Key figures for Group

All amounts in '000 DKK	2020*
Gross gain/loss	- 5,356
Financial income & expenses	31,074
Net result	-547,588
Total Assets	3,599,606
Equity	3,599,091

* 2020 is the first fiscal year for PKA Direct I K/S

Key Ratios

Equity ratio	99,99%
Return on equity	-7,07%

The key figures have been calculated in accordance with recommendations from CFA Society Denmark. Reference is made to definitions and concepts under applied accounting policies.

Primary activities and investments

PKA Direct I K/S was established in April 2020 and is managed by AIP Management P/S. The principal activities of PKA Direct I K/S in the period under review were to own shares in two offshore wind projects Anholt and Gode Wind II.

Anholt Havvindmøllepark I/S, 20% ownership, is a 400 MW offshore wind project located in Kattegat between Anholt island and Djursland. It is the largest in Denmark. The project has been in owned since 2011.

Gode Wind II Offshore Wind Farm P/S GmbH. & co. Ohg., 24,75% ownership, is a 252 MW offshore wind project located in the German North Sea close to the Borkum Islands. The project has been owned since 2014.

Development in activities and finances

The Group's Income Statement of the Financial period 1 April – 31 December 2020 shows a loss of DKK 548m which is in line with the management's expectations.

Uncertainty in recognition and measurement

It is assessed that there is no significant uncertainty in the recognition and measurement of financial figures.

Principal or special risks and uncertainties

The management does not see any special risks to the company in connection with the ownership of the shares in project in addition to the commonly occurring risks within the company industry.

Subsequent Events

No subsequent events have occurred after the balance sheet date that required adjustment to or disclosure in the financial statements.

Unusual conditions affecting recognition and measurement

No unusual conditions have occurred that has affected recognition and measurement in the financial statements.

Expected development

Management expects the fund to continue producing positive cash flows in the future.

Independent Auditor's Report

To the Shareholders of PKA Direct I K/S

Opinion

In our opinion, the Consolidated Financial Statements and the Parent Company Financial Statements give a true and fair view of the financial position of the Group and the Parent Company at 31 December 2020, and of the results of the Group's and the Parent Company's operations as well as for the consolidated cash flows for the financial year 1 April - 31 December 2020 in accordance with the Danish Financial Statements Act.

We have audited the Consolidated Financial Statements and the Parent Company Financial Statements of PKA Direct I K/S Group for the financial year 1 April - 31 December 2020, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies, for both the Group and the Parent Company, as well as consolidated statement of cash flows ("financial statements").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Statement on Management's Review

Management is responsible for Management's Review.

Our opinion on the financial statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated. Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financials Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Consolidated Financial Statements and the Parent Company Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statement Act. We did not identify any material misstatement in Management's Review.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation of Consolidated Financial Statements and Parent Company Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Group's and the Parent Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Group or the Parent Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and the Parent Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and the Parent Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Parent Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes

Note 1

Accounting policies

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class C enterprises.

The accounting policies applied to group are identical to the rules applied to the parent. This is the first fiscal year for the parent company and as a group. Comparative figures are therefore not available.

Consolidated financial statements

The consolidated financial statement comprises the parent and the group enterprises that are controlled by the parent. Control of a subsidiary is achieved by the parent, either directly or indirectly, holding more than 50% of the voting rights or in any other way exercising controlling influence. Enterprises in which the group, directly or indirectly, holds between 20% and 50% of the voting rights and exercises significant, but not controlling, influence are regarded as associates.

Basis of consolidation

The consolidated financial statements are prepared based on the financial statements of the parent and its subsidiaries. The consolidated financial statements are prepared by combining uniform items. On consolidation, intra-group income, expenses, accounts and dividends are eliminated. The financial statements used for consolidation have been prepared applying the group accounting policies.

Subsidiaries' financial statement items are recognised in full in the consolidated financial statements.

Recognition and measurement

Revenue is recognized in the income statement as it is earned, including value adjustments of financial assets and liabilities measured at fair value or amortized costs.

In addition, expenses incurred to achieve the year's earnings are recognized, including depreciation, write-downs, provisions, and reversals because of changed accounting estimates of amounts previously recognized in the income statement.

Assets are recognized in the balance sheet when it is probable because of a prior event that future economic benefits will flow to the company, and the value of the asset can be measured reliably. Liabilities are recognized in the balance sheet when the company has a legal or constructive obligation because of a prior event, and it is probable that future economic benefits will flow out of the company, and the value of the liabilities can be measured.

At initial recognition, assets and liabilities are measured at cost. Subsequently, assets and liabilities are measured as described for each accounting item below.

Recognition and measurements consider the gains, losses and risks that arise before the annual report is presented and which corroborates or invalidates conditions that existed at the balance sheet date.

The group accounts are consolidated based on the group companies individual accounts adjusted for any intercompany transactions and equity interest.

Foreign currency translation

Foreign currency transactions are translated at the exchange rate at the transaction date. Exchange rate differences arising between the exchange rate at the transaction date and the rate at the payment date are recognized in the income statement as a financial item.

Receivables, payables, and other monetary items in foreign currencies that have not been settled on the balance sheet date are translated at the exchange rate at the balance sheet date. The difference between the exchange rate at the balance sheet date and the exchange rate at the transaction date is recognized in the income statement as a financial item.

Income statement

Gross loss

Gross loss is calculated with reference to §32 of the Danish Financial Statements Act as a summary of other external costs.

Other external costs

Other external costs include costs for administration, etc.

Income from associated companies

Dividend income from associated companies is presented in the Income statement in the year of which it was declared. Impairment and fair value adjustments in associated companies is presented in the Income statement in the year of which it was declared.

Financial items

Financial income and expenses include interest income and expenses, realized and unrealized gains and losses on debt and transactions in foreign currencies.

Tax

Income taxes for the year, is recognized in the income statement with the part that can be attributed to the profit for the year.

Balance sheet

Investments in financial assets

Investments in subsidiaries and associates are recognized and measured at cost. If there is an indication of a need for impairment, an impairment test is performed. Where the carrying amount exceeds the recoverable amount it is written down to this lower value.

Cash and cash equivalents

Cash comprises cash in bank deposits.

Equity

Dividend distributions proposed by the management for the financial year are shown as a separate item under equity.

Other Liabilities

Expenses with reference to the fiscal year are accrued for.

Cash flow statement

Cash flow from operating activities includes all cash transactions other than cash flows arising from investments, received dividends, paid and received financial items and equity transactions.

Cash flow statement is calculated based on the indirect method. In which the cash flow statement is based on the difference between year start and year end.

Note 2
