## Statement by management on the annual report

The supervisory board and executive board have today discussed and approved the annual report of NH TEK A/S for the financial year 1 January - 31 December 2021.

The annual report is prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the company's financial position at 31 December 2021 and of the results of the company's operations for the financial year 1 January - 31 December 2021.

In our opinion, management's review includes a fair review of the matters dealt with in the management's review.

Management recommends that the annual report should be approved by the company in general meeting.

## Auditor's report on compilation of the financial statements

### To the shareholder of NH TEK A/S

We have compiled the financial statements of NH TEK A/S for the financial year 1 January - 31 December 2021 based on the company's bookkeeping records and other information made available by enterprise.

The financial statements comprises a summary of significant accounting policies, income statement, balance sheet, statement of changes in equity and notes.

We performed the engagement in accordance with ISRS 4410, Compilation Engagements.

We have applied our professional expertise to assist the enterprise in the preparation and presentation of the financial statements in accordance with the Danish Financial Statements Act. We complied with the relevant provisions of the Danish Act on Approved Auditors and with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), including principles relating to integrity, objectivity, professional competence and due care.

The financial statements and the accuracy and completeness of the information used to compile the financial statements are the enterprise's responsibility.

As a compilation engagement is not an assurance engagement, we are not required to verify the accuracy or completeness of the information provided by enterprise for our compilation of the financial statements. Accordingly, we do not express an audit or a review conclusion on whether the financial statements have been prepared in accordance with the Danish Financial Statements Act.

## Management's review

### Business review

The main activity in the company is household electronics.

### Financial review

The company's income statement for the year ended 31. december 2021 shows a loss of DKK 771.146, and the balance sheet at 31 December 2021 shows negative equity of DKK 593.644.

#### Equity loss

The assets, equity and liabilities are assessed with going concern in mind. The management is aware of the loss of equity and are therefore subject to Companies Act §119. It is the management's assessment that despite the loss of equity, the company is still able to continue.

It is expected that the equity of the company will be restored in future earnings. Management will on an ongoing basis assess the capital base and the re-establishment of equity.

### Significant events occurring after the end of the financial year

No events have occurred after the balance sheet date which could significantly affect the company's financial position.

## Accounting policies

The annual report of NH TEK A/S for 2021 has been prepared in accordance with the provisions of the Danish Financial Statements Act for klasse B-virksomheder.

The annual report for 2021 is presented in DKK

### Basis of recognition and measurement

Income is recognised in the income statement as earned, including value adjustments of financial assets and liabilities. All expenses, including amortisation, depreciation and impairment losses, are also recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits will flow to the company and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow from the company and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. On subsequent recognition, assets and liabilities are measured as described below for each individual accounting item.

Certain financial assets and liabilities are measured at amortised cost using the effective interest method. Amortised cost is calculated as the historic cost less any installments and plus/less the accumulated amortisation of the difference between the cost and the nominal amount.

On recognition and measurement, allowance is made for predictable losses and risks which occur before the annual report is presented and which confirm or invalidate matters existing at the balance sheet date.

### Income statement

#### Gross profit

In pursuance of section 32 of the Danish Financial Statements Act, the company does not disclose its revenue.

Gross loss is a summary of other costs.

#### Other external expenses

Other external costs related to cost are for distribution, sales and administration, etc.

#### Staff costs

Staff costs include wages and salaries, including compensated absence and pensions, as well as other social security contributions, etc. made to the entity's employees. The item is net of refunds made by public authorities.

#### Financial income and expenses

Financial income and expenses are recognised in the income statement at the amounts that relate to the financial year.

### Balance sheet

#### Receivables

Receivables are measured at amortised cost.

An impairment loss is recognised if there is objective evidence that a receivable or a group of receivables is impaired. If there is objective evidence that an individual receivable is impaired, an impairment loss for that individual asset is recognised.

Cash and cash equivalents includes cash and cash equivalents.

## Accounting policies

### Liabilities

Liabilities, which include trade payables, payables to group entities and other payables, are measured at amortised cost, which is usually equivalent to nominal value.

## Notes

### 1 Uncertainty about the continued operation (going concern)

The company is covered by the capital provisions in the Companies Act. As a result, the company's management must report on the company's financial position and expected development at the forthcoming general meeting.

However, management expects the company to continue operations.

Management expects the company's equity to be re-established within a foreseeable number of years.

Management guarantees the equity of the company.

	<b>2021</b> DKK	<b>2020</b> DKK
<b>2 Staff costs</b>		
Wages and salaries	442.887	126.070
