## **MANAGEMENT'S STATEMENT**

---

Today the Executive Board has discussed and approved the Annual Report of YOOLA ApS for the period 1. juli 2022 - 30. juni 2023.

The Annual Report has been prepared in conformity with the Financial Statements Act.

The unaudited Annual Report has been prepared in conformity with the Financial Statements Act. The Executive Board considers the conditions for not performing an audit to have been met.

In my opinion, the financial statements give a true and fair view of the Company's assets, equity, liabilities and financial position at 30. juni 2023 and of its financial performance for the period 1. juli 2022 - 30. juni 2023.

In my opinion the Management commentary includes a fair review of the matters described.

We recommend that the Annual Report be approved by the Annual General Meeting.

## MANAGEMENT COMMENTARY

---

### **Main activities of the Company**

The purpose of the main activity company is the import, export and distribution of various products as well as any other activity which, at the management's discretion, is connected with this.

### **Unusual conditions**

There have been no other isolated events in the financial year which are of such a significant nature that they require mention in the management report.

Information on the company's net turnover has been omitted for competitive reasons.

### **Uncertainty in recognition and measurement**

In the financial year, no significant uncertainties regarding the recognition and measurement of accounting items have been identified.

### **Development in the activities and the financial situation of the Company**

The company has carried out its normal operating activities and has delivered a satisfactory result that further contributes to strengthening the company's equity.

### **Material events after the reporting date**

No events have occurred after the reporting date that may materially affect the financial position of the company.

### **Opting out of audit**

The annual report has not been audited. The Executive Board considers the conditions for opting out of audit to have been met.

## ACCOUNTING POLICIES

---

### GENERAL INFORMATION

The financial statements of YOOLA ApS for the financial year 2022/23 have been prepared in conformity with the provisions of the Financial Statements Act on class B enterprises combined with a few rules on class C enterprises.

The accounting policies applied in the financial statements are consistent with those of the previous year. The reporting currency is Danish kroner.

### Recognition and measurement in general

The financial statements have been prepared under the historical cost convention.

Income is recognised in the income statement when earned. Value adjustments of financial assets and liabilities measured at fair value or amortised cost are also recognised in the income statement. Costs incurred to generate the earnings for the year are also recognised in the income statement, including amortisation, depreciation, impairment losses and provisions as well as reversals resulting from changed accounting estimates of amounts previously recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future financial benefits will flow to the Company and it is possible to obtain a reliable measurement of the individual assets.

Liabilities are recognised in the balance sheet when it is probable that future financial benefits will flow from the Company and it is possible to obtain a reliable measurement of the individual liabilities.

On initial recognition, assets and liabilities are measured at cost. Subsequently, assets and liabilities are measured as described for each item.

Certain financial assets and liabilities are measured at amortised cost, whereby a constant effective interest rate is recognised over the life of the individual asset or liability. Amortised cost is determined as original cost less any repayments and with the addition/deduction of the accumulated amortisation of the difference between cost and nominal amount.

Anticipated losses and risks arising before the presentation of the financial statements and confirming or disconfirming facts and circumstances known at the reporting date are taken into consideration at recognition and measurement.

The functional currency used is Danish kroner. All other currencies are considered foreign currencies.

### INCOME STATEMENT

#### General information

Certain income and expenses have been aggregated in the item designated 'Gross profit' with reference to section 32 of the Financial Statements Act.

#### Gross profit

Gross profit is a combination of the items of 'Revenue', 'Change in inventories of finished goods, work in progress and goods for resale', 'Other operating income', 'Cost of raw materials and consumables' and 'Other external costs'.

#### Revenue

Revenue from the sale of goods for resale and finished goods is recognised in the income statement if the goods have been delivered and the risk has passed to the buyer before year-end. Revenue is recognised exclusive of VAT and net of sales discounts.

#### Other external expenses

Other external expenses include costs for sales, advertising, administration, premises, bad debts,

---

rental expenses under operating leases, etc.

### **Staff costs**

Staff costs include wages, salaries and other pay-related costs, such as sickness benefits for enterprise employees less wage/salary reimbursement from the Government.

### **Other operating expenses**

Other operating expenses include items relating to activities secondary to the main activity of the enterprise.

### **Financial income and expenses**

Financial income and expenses are recognised in the income statement based on the amounts which relate to the financial year. Financial income and expenses include interest revenue and expenses, finance charges in respect of finance leases, realised and unrealised capital gains and losses on securities, accounts payable and transactions in foreign currencies, repayment on mortgage loans, and surcharges and allowances under the tax prepayment scheme. Dividends from other equity investments are recognised as income in the financial year in which the dividends are declared.

### **Tax on net profit for the year**

Tax for the year comprises current tax and changes in deferred tax. The share attributable to the profit or loss for the year is recognised in the income statement, and the share attributable directly to equity is recognised directly in equity.

## BALANCE SHEET

### **Receivables**

Receivables are measured at amortised cost, which normally corresponds to the nominal value. The value is reduced by an allowance for expected impairment losses.

### **Cash and cash equivalents**

Cash and cash equivalents include deposits in banks with bank accounts as well as cash and cash equivalents.

### **Equity**

#### **Dividends**

Proposed dividends for the year are recognised as a separate item under equity. Proposed dividends are recognised as a liability when approved by the Annual General Meeting.

### **Corporate income tax and deferred tax**

The Company are jointly and severally liable as the administration company for subsidiaries corporate taxes to the tax authorities.

Current tax liabilities and current tax receivable are recognised in the balance sheet as calculated tax on the taxable income for the year, adjusted for tax on the taxable income for previous years and tax paid on account.

Deferred tax is measured using the balance-sheet liability method on temporary differences arising between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases. In cases where the tax base can be determined under alternative taxation rules, such as in relation to shares, deferred tax is measured on the basis of the intended use of the asset or settlement of the liability.

### **Payables**

---

## **ACCOUNTING POLICIES**

---

Other payables, comprising trade payables and amounts owed to Group enterprises and associates and other accounts payable, are measured at amortised cost, which normally corresponds to the nominal value.
