Management review

Primary activities

The Company's main activity is to act as general partner for AIP Dante Holding K/S.

Development in activities and finances

The Company's Income Statement of the Financial year 1 January - 31 December 2023 shows a result of DKK 3,329 which is in line with the management's expectations.

Management's statement

The Executive Board have today considered and adopted the Annual Report of AIP Dante Holding GP ApS for the financial year 1 January - 31 December 2023.

The Annual Report is prepared in accordance with the Danish Financial Statements Act. The company complies with the exemption provisions governing the omission to have its Financial Statements audited.

In our opinion, the Financial Statements give a true and fair view of the financial position at 31 December 2023 of the Company and of the results of the Company operations for the financial period 1 January - 31 December 2023.

In our opinion, the Management review includes a true and fair account of the matter addressed in the review.

We recommend that the annual report be adopted at the Annual General Meeting.

Copenhagen, 5 April 2024

Executive Board

Notes

Note 1

Accounting policies

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class B enterprises with addition of elements from reporting class C enterprises.

Changes to principal accounting policies

No other changes to the principal accounting policies are applied in 2023.

Presentation currency

The Financial Statements for 2023 are presented in DKK.

Recognition and measurement

Revenue is recognized in the income statement as it is earned, including value adjustments of financial assets and liabilities measured at fair value or amortized costs.

In addition, expenses incurred to achieve the year's earnings are recognized, including depreciation, write-downs, provisions, and reversals because of changed accounting estimates of amounts previously recognized in the income statement.

Assets are recognized in the balance sheet when it is probable because of a prior event that future economic benefits will flow to the company, and the value of the asset can be measured reliably. Liabilities are recognized in the balance sheet when the company has a legal or constructive obligation because of a prior event, and it is probable that future economic benefits will flow out of the company, and the value of the liabilities can be measured.

At initial recognition, assets and liabilities are measured at cost. Subsequently, assets and liabilities are measured as described for each accounting item below.

Recognition and measurements consider the gains, losses and risks that arise before the annual report is presented and which corroborates or invalidates conditions that existed at the balance sheet date.

Foreign currency translation

Foreign currency transactions are translated at the exchange rate at the transaction date. Exchange rate differences arising between the exchange rate at the transaction date and the rate at the payment date are recognized in the income statement as a financial item.

Receivables, payables, and other monetary items in foreign currencies that have not been settled on the balance sheet date are translated at the exchange rate at the balance sheet date. The difference between the exchange rate at the balance sheet date and the exchange rate at the transaction date is recognized in the income statement as a financial item.

Income statement

Gross profit

Gross profit is calculated with reference to §32 of the Danish Financial Statements Act as a summary of other external costs.

Financial items

Financial income and expenses include interest income and expenses, realized and unrealized gains and losses on debt and transactions in foreign currencies.

Tax

Income taxes for the year, is recognized in the income statement with the part that can be attributed to the profit for the year.

Balance sheet

Cash and cash equivalents

Cash comprises cash in bank deposits.

Cash and cash equivalents comprise cash and bank balances net of bank overdrafts.

Equity

Dividend distribution proposed by the management for the financial year are shown as a separate item under equity.

Other short-term payables

Expenses with reference to the fiscal year are accrued for.
