# Management's statement

The Executive Board and Board of Directors have today considered and adopted the Financial Statements of Tech Collective Test & DevOps A/S for the financial year 1 July 2022 - 30 June 2023.

The Annual Report is prepared in accordance with the Danish Financial Statements Act. The Company complies with the exemption provisions governing the omission to have its Financial Statements audited.

In our opinion the Financial Statements give a true and fair view of the financial position at 30 June 2023 of the Company and of the results of the Company operations for 2022/23.

We recommend that the Financial Statements be adopted at the Annual General Meeting.

#### 4. Contingent assets, liabilities and other financial obligations

The group's companies are jointly and severally liable for tax on the group's jointly taxed income etc. The total amount of corporation tax due appears in the annual report for Implement Datterholding A/S, which is the management company in relation to joint taxation. The group's companies are also jointly and severally liable for Danish withholding taxes in the form of dividend tax, royalty tax and interest tax. Any subsequent corrections to corporation tax and withholding tax may result in the company's liability amounting to a larger amount.

#### **Notes to the Financial Statements**

#### 5. Accounting policies

The Annual Report of Tech Collective Test & DevOps A/S for 2022/23 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B as well as selected rules applying to reporting class C.

The accounting policies applied remain unchanged from last year.

The Financial Statements for 2022/23 are presented in DKK.

#### **Recognition and measurement**

Revenues are recognised in the income statement as earned. Furthermore, value adjustments of financial assets and liabilities measured at fair value or amortised cost are recognised. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement, including depreciation, amortisation, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits attributable to the asset will flow to the Company, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow out of the Company, and the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

#### **Translation policies**

Transactions in foreign currencies are translated at the exchange rates at the dates of transaction. Exchange differences arising due to differences between the transaction date rates and the rates at the dates of payment are recognised in financial income and expenses in the income statement. Where foreign exchange transactions are considered hedging of future cash flows, the value adjustments are recognised directly in equity.

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the rates at the time when the receivable or the debt arose are recognised in financial income and expenses in the income statement.

#### **Income statement**

#### Net sales

Revenue from the sale of goods is recognised when the risks and rewards relating to the goods sold have been transferred to the purchaser, the revenue can be measured reliably and it is probable that the economic benefits relating to the sale will flow to the Company.

Revenue is measured at the consideration received and is recognised exclusive of VAT and net of discounts relating to sales.

#### Other external expenses

Other external expenses comprise expenses for premises, sales as well as office expenses, etc.

#### **Gross profit**

With reference to section 32 of the Danish Financial Statements Act, gross profit/loss is calculated as a summary of revenue and other external expenses.

#### **Notes to the Financial Statements**

#### Staff expenses

Staff costs include wages and salaries including compensated absence and pensions as well as other social security contributions etc. made to the entity's employees.

#### Financial income and expenses

Financial income and expenses are recognised in the income statement at the amounts relating to the financial year.

#### Tax on profit/loss for the year

Tax for the year consists of current tax for the year and changes in deferred tax for the year. The tax attributable to the profit for the year is recognised in the income statement, whereas the tax attributable to equity transactions is recognised directly in equity.

The Danish Group Companies are jointly and severally liable for the tax om the Group's jointly taxed income as well as for Danish withholding taxes through dividend tax and tax om unearned income.

#### **Balance** sheet

#### Receivables

Receivables are measured in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts.

#### **Equity**

#### Dividend

Dividend distribution proposed by Management for the year is disclosed as a separate Dividend item.

#### Current tax receivables and liabilities

Current tax liabilities and receivables are recognised in the balance sheet as the expected taxable income for the year adjusted for tax on taxable incomes for prior years and tax paid on account. Extra payments and repayment under the on-account taxation scheme are recognised in the income statement in financial income and expenses.

#### Financial debts

Debts are measured at amortised cost, substantially corresponding to nominal value.
