## **Management's review**

### **The company's main activities**

Selskabets formål er at uddanne mennesker til at forstå fordelene ved at bruge naturlige og økologiske produkter på deres hus, og hjælpe dem med at blive mere bevidste forbrugere.

### **Development in activities and financial conditions**

The company's income statement shows a surplus of DKK 528, and the company's balance sheet per. 29. feb. 2024 has equity of DKK 44.473.

### **Significant events that occurred after the end of the financial year**

No events have occurred after the end of the financial year that could significantly affect the company's financial position.

## **Accounting policies**

Annual report has been submitted in accordance with the provisions of the Danish Financial Statements Act for Accounting Class B.

The accounting policies applied are unchanged compared to last year.

Annual report for 2023 has been paid in DKK.

## **The income statement**

### **Gross profit or loss**

The company applies the provision in section 32 of the Danish Financial Statements Act, according to which the company's turnover is not disclosed.

Gross profit is a summary of revenue with deduction of other external costs.

### **Net sales**

Net sales is recognised in the income statement if delivery and transfer of risk to the buyer has taken place before the end of the year. Net revenue is recognised excl. VAT and with deduction of discounts in connection with the sale.

### **Staff costs**

Personnel costs include salaries, including holiday pay and other costs for social security, etc. to the company's employees. Staff costs received from public authorities are deducted from staff costs.

### **Financial items**

Financial income and expenses are recognised in the income statement with the amounts relating to the financial year. Financial items include securities, interest income and expenses.

### **Income tax expense**

The tax for the year, which consists of the current corporation tax for the year and changes in deferred tax, is recognised in the income statement with the part that can be attributed to the profit for the year and directly in equity with the part that can be attributed to entries directly in equity.

## **Balance**

### **Receivables**

Receivables are measured at amortised cost, which usually corresponds to nominal value.

### **Cash and cash equivalents**

Cash and cash equivalents include cash and bank deposits.

### **Corporation tax and deferred tax**

Current tax liabilities and current tax receivables are recognised in the balance sheet as calculated tax on the taxable income for the year, adjusted for tax on previous years' taxable income and for taxes paid on account.

Deferred tax is measured using the balance sheet liability method on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

### **Debt liabilities**

Debt liabilities, which include debt to suppliers and other debt, are measured at amortised cost, which usually corresponds to nominal value.
