Management's statement

The Executive Board has today considered and adopted the Financial Statements of UV Special Limited Partner I K/S for the financial year 7 February - 31 December 2022.

The Annual Report is prepared in accordance with the Danish Financial Statements Act. The Limited Partnership complies with the exemption provisions governing the omission to have its Financial Statements audited.

In our opinion the Financial Statements give a true and fair view of the financial position at 31 December 2022 of the Limited Partnership and of the results of the Limited Partnership operations for 2022.

We recommend that the Financial Statements be adopted at the Annual General Meeting.

3. Accounting policies

The Annual Report of UV Special Limited Partner I K/S for 2022 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B as well as selected rules applying to reporting class C.

This is the first accounting year for the Company.

The Financial Statements for 2022 are presented in DKK.

Recognition and measurement

Revenues are recognised in the income statement as earned. Furthermore, value adjustments of financial assets and liabilities measured at fair value or amortised cost are recognised. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement, including depreciation, amortisation, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits attributable to the asset will flow to the Company, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow out of the Company, and the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Income statement

Other external expenses

Other external expenses comprise expenses for administration, etc.

Gross profit/loss

With reference to section 32 of the Danish Financial Statements Act, gross profit/loss comprises of other external expenses.

Financial income and expenses

Financial income and expenses are recognised in the income statement at the amounts relating to the financial year.

Tax on profit/loss for the year

The Company is not an independent tax subject, consequently no tax has been included in the annual report.

Balance sheet

Fixed asset investments

Fixed asset investments, which consist of unlisted shares, are measured at the lower cost and recoverable amount at the balance sheet date.

Receivables

Receivables are measured in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts.

Notes to the Financial Statements

Financial debts

Debts are measured at amortised cost, substantially corresponding to nominal value.
