Management's Statement

The Board of Directors and the Executive Board have today considered and adopted the Annual Report of Maersk Air Crew & Training Company A/S for the financial year 1 February – 31 December 2022.

The Annual Report has been prepared in accordance with the Danish Financial Statements Act.

In our opinion, the Financial Statements give a true and fair view of the financial position at 31 December 2022 of the Company and of the results of the Company operations for 2022.

In our opinion, Management's Review includes a true and fair account of the matters addressed in the Review.

We recommend that the Annual Report be adopted at the Annual General Meeting.

Independent Auditor's Report

To the Shareholder of Maersk Air Crew & Training Company A/S

Opinion

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 December 2022 and of the results of the Company's operations for the financial year 1 February - 31 December 2022 in accordance with the Danish Financial Statements Act.

We have audited the Financial Statements of Maersk Air Crew & Training Company A/S for the financial year 1 February - 31 December 2022, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies ('Financial Statements').

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Statement on Management's Review

Management is responsible for Management's Review.

Our opinion on the Financial Statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the Financial Statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

Independent Auditor's Report

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Independent Auditor's Report

- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Management's Review

Primary activities

The primary activity is to be a supplier of pilots and other personnel to the airline industry.

Development in the year

The Company was established in 2022.

The Company's income statement for the year ending 31 December 2022 showed a loss after tax of USD 46k, and the Company's balance sheet at 31 December 2022 showed equity of USD 14k.

At the end of 2022, the Company's equity amounted to USD 14k due to a loss for the year of USD 46k. Therefore, the equity represents less than half of the subscribed share capital. The financial position will be improved through future positive operating results.

Subsequent events

No significant events have occurred subsequently to the balance sheet date, which would have a material impact on the financial position of the Company.

Notes to the Financial Statements

1. Accounting Policies

The Annual Report of Maersk Air Crew & Training Company A/S for 2022 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to reporting class B with selection of certain provisions from reporting class C.

The Financial Statements for 2022 are presented in USD. The exchange rate applied at 31 December 2022 is 6.9686.

Recognition and measurement

Revenue is recognised in the income statement as earned. Furthermore, value adjustments of financial assets and liabilities measured at fair value or amortised cost are recognised. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement, including depreciation, amortisation, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits attributable to the assets will flow to the Company, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow out of the Company, and the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Foreign currency translation

Transactions in foreign currencies are translated at the exchange rate at the dates of transaction. Exchange rate differences arising due to differences between the transaction dates rates and the rates at the dates of payment are recognised in the financial income and expenses in the income statement. Where foreign exchange transactions are considered hedging of future cash flows, the value adjustments are recognised directly in equity.

Notes to the Financial Statements

1. Accounting Policies (cont'd)

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the rates at the time when the receivables or the debt arose are recognised in the financial income and expenses in the income statement.

Income Statement

Revenue

Revenue consists of income relating to air transport and related activities performed during the financial year. Income is recognised in the income statement at the time of flight departure or the delivery date, which is the time where the risks and rewards are transferred to the customer.

Revenue is measured at the consideration received and is recognised excluding VAT and net of discounts relating to sales.

Other external expenses

Other external expenses comprise expenses related to administration, premises, bad debt losses, etc.

Staff expenses

Staff expenses comprise wages and salaries.

Financial items

Financial items are recognised in the income statement at the amounts relating to the financial year.

Tax on profit/loss for the year

Tax on profit for the year comprises the amount that is expected to be paid for the year together with deferred tax. The Company is jointly taxed with other Danish companies in the A.P. Møller Holding Group. The current Danish corporation tax is allocated between the jointly taxed companies in proportion to their taxable income (full absorption with refunds).

Balance Sheet

Receivables

Receivables are measured in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts.

Financial liabilities

Financial liabilities are measured at amortised cost, substantially corresponding to nominal value.

Notes to the Financial Statements

2. Staff expenses

	<u>2022</u>
Wages and salaries	3,162
Pensions	272
Other staff expenses	<u>12</u>
	<u>3,446</u>
Average number of employees	<u><u>17</u></u>

3. Financial expenses

Interest expenses to group entities	3
Exchange rate adjustments	<u>217</u>
	<u>220</u>

4. Tax on profit/loss for the year

Current tax for the year	<u>-13</u>
	<u>-13</u>

5. Proposed profit appropriation

Retained earnings	<u>-46</u>
	<u>-46</u>

6. Equity

The share capital consists of shares with a nominal value of DKK 10,000 each or multiples thereof.

The company was established 2022 with a share capital of DKK 400,000.

Notes to the Financial Statements

7. Related party disclosures

Consolidated financial statements

The Company is included in the Consolidated Financial Statements of A.P. Møller – Mærsk A/S (immediate parent company).

The Company is included in the Consolidated Financial Statements of A.P. Møller Holding A/S (ultimate controlling parent).

Related party transactions

(USD '000)

	<u>2022</u>
Revenue	3,618
Interests	3
Receivables from group affiliates	1,044

8. Contingent assets, liabilities and other financial obligations

Other contingent liabilities

The Company is jointly taxed with all other Danish companies in the A.P. Møller Holding Group. As a consolidated entity, the Company has unlimited and joint liability together with the other companies under joint taxation for Danish corporation tax and withholding tax on dividends, interest and royalties within the jointly taxed companies.
