### Management's Statement

The Executive Management and Board of Directors have today considered and adopted the Annual Report of NNF India A/S for the financial period 1 April – 31 December 2022.

The Annual Report has been prepared in accordance with the Danish Financial Statements Act.

In our opinion the Financial Statements give a true and fair view of the Company's financial position at 31 December 2022 and of the result of the Company's operations for the financial period 1 April - 31 December 2022.

In our opinion, Management's Review includes a true and fair view of the matters included in the Management's Review.

We recommend that the Annual Report be adopted at the Annual General Meeting.

### Independent Auditor's Report

To the shareholder of NNF India A/S

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 December 2022, and of the results of the Company's operations for the financial period 1 April - 31 December 2022 in accordance with the Danish Financial Statements Act.

We have audited the Financial Statements of NNF India A/S for the financial period 1 April - 31 December 2022, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies ("financial statements").

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Statement on Management's Review

Management is responsible for Management's Review.

Our opinion on the financial statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

#### Management's Responsibilities for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or cease operations, or has no realistic alternative to do so.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Management's Review**

#### **The main activities of the Company**

NNF India A/S is 100% owned by Novo Nordisk Fonden, Hellerup.

The purpose of the Company is to be a holding company for companies in Denmark and abroad. Further, the purpose of the Company is to provide services to assist its parent foundation in identifying potential grant recipients matching grant criteria around the world. This shall include to identify potential recipients, act as a communication channel between the company's parent foundation and potential grant recipients and assist in formulation and development of project applications.

The Company applied for and received approval from Reserve Bank of India for the establishment of a Branch Office in India. The Branch Office was registered in New Delhi in December 2022. The office is expected to be fully functioning from first half of 2023.

In parallel, the Company assisted Indian and Danish Research and Development organizations in submitting 5 successful grant applications for its parent foundation. This included the development and application of a framework for due diligence of Indian grant recipients. In addition, the Company advised its parent foundation on Indian opportunities and planned and supported a number of delegation visits and partnering meetings for its parent foundation in India.

#### **Financial results**

It is the Company's first financial period.

The Company's financial result for the financial period 1 April - 31 December 2022 is a profit of TDKK 85, which is according to expectations. The Company's equity at 31 December 2022 amounts to TDKK 1,085.

#### **Events after the balance sheet date**

There have been no events after the balance sheet date which would have a significant impact on the assessment of Company' financial position as of 31 December 2022.

### Notes

#### Note 1 – Accounting policies

The Annual Report of NNF India A/S has been prepared in accordance with the requirement of the Danish Financial Statements Act reporting class B with some elements from reporting class C.

The Annual Report is presented in TDKK.

#### Translation of foreign currencies

Foreign currency transactions are translated using the exchange rates prevailing at the transactions dates. Foreign exchange gains and losses, resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities, are recognised in the income statement.

#### Revenue from sale of services

Revenue from sale of services is recognized in the income statement when delivery and transfer of risk and provided that the income can be reliably measured to be received.

Revenue is measured at the fair value of the agreed consideration excluding VAT and taxes charged on behalf of third parties.

#### External expenses

External expenses include the year's expenses relating to the company's core activities, including expenses relating to distribution, sales, advertising, administration, premises, bad debts, payments under operating leases etc.

#### Staff costs

Staff costs include wages and salaries, including compensated absence and pension to the Company's employees, as well as other social security contributions etc. The item is net of refunds from public authorities.

#### Other financial income

Financial income comprise interest and realised and unrealised foreign currency translations adjustments and other financial income. Interests is included in the profit and loss with the amount related to the current financial year, regardless of due date.

#### Other financial costs

Financial costs comprise interest and realised and unrealised foreign currency translations adjustments and other financial costs. Interests is included in the profit and loss with the amount related to the current financial year, regardless of due date.

#### Income taxes

The tax expense for the period comprises current and deferred tax and interests.

The Company is jointly taxed with Novo Holdings A/S. The tax for the individual companies is allocated in full on the basis of the expected taxable income.

### **Tax and deferred tax**

Tax payable/receivable includes tax payable computed based on the expected taxable income for the year.

Deferred tax is measured according to the balance sheet method for all temporary differences between the carrying amount and tax value of assets and liabilities, where the tax value of the assets is calculated based on the planned use of each asset. Deferred tax assets, including the tax value of tax loss carryforwards, are included in the balance sheet at the value at which the asset at which the asset can be expected to be realized, either by off-setting towards the deferred tax liabilities or as net tax assets.

### **Receivables**

Receivables are measured at amortized cost.

An impairment loss are recognized if there is objective evidence that a receivable or a group of receivables is impaired.

### **Current liabilities**

Current liabilities are recognized at amortized cost unless specified otherwise.

**Note 2 Events after the balance sheet date**

There have been no events after the balance sheet date which would have a significant impact on the assessment of the Company's financial position as of 31 December 2022.

TDKK	2022
<b>Note 3 Staff costs</b>	
Salaries	573
Social security costs	1
Other staff costs	357
<b>Total staff costs for the period</b>	<b>931</b>
<b>Average number of employees in the financial period</b>	<b>1</b>

The management do not receive remuneration.

**Note 4 Tax for the period**

Current tax on net profit for the period	24
<b>Total tax for the period</b>	<b>24</b>

**Note 5 Contingent liabilities**

The Company is jointly taxed with the Danish companies in the Group, which are included in the joint taxation of the company, Novo Holdings A/S. The joint taxation also covers withholding taxes in the form of dividend tax, royalty tax and interest tax. The Danish companies are jointly and individually liable for the joint taxation. Any subsequent adjustments to income taxes and withholding taxes may lead to a larger liability.

The Company has no other contingent liabilities.

**Note 6 Ownership**
