## Rederiaktieselskabet Kuling Management's Statement

---

The Executive Board and Board of Directors have today considered and adopted the Annual Report of Rederiaktieselskabet Kuling for the financial year 1 January - 31 December 2020.

The Annual Report for Rederiaktieselskabet Kuling has been prepared in accordance with the Danish Financial Statements Act.

In our opinion the Financial Statements gives a true and fair view of the financial position at 31 December 2020 and of the results of the Company's operations for 2020.

Further, in our opinion the management report includes a fair review of the development in the Company's operations and financial conditions, the results for the year and financial position.

We recommend that the Annual Report be adopted at the Annual General Meeting.

## **Rederiaktieselskabet Kuling Management's Review**

---

### **The company's main activities**

The purpose of the Company is to carry on shipping, chartering and related business, but it shall be a further purpose to engage in other transport business, commercial and industrial activities at home and abroad, including via investments in shares.

### **Development in activities and financial affairs**

Profit after tax is 162 TDKK thousand. The result is considered satisfactory.

### **Subsequent events**

There were no material events subsequent to 31 December 2020 that have not been reflected in the financial statements.

## **Rederiaktieselskabet Kuling Independent Auditor's Report**

---

To the Shareholder of Rederiaktieselskabet Kuling

### **Opinion**

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 December 2020, and of the results of the Company's operations for the financial year 1 January - 31 December 2020 in accordance with the Danish Financial Statements Act.

We have audited the Financial Statements of Rederiaktieselskabet Kuling A/S for the financial year 1 January - 31 December 2020, which comprise a summary of significant accounting policies, income statement, balance sheet and notes ("financial statements").

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Statement on Management's Review**

Management is responsible for Management's Review.

Our opinion on the financial statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

### **Management's Responsibilities for the Financial Statements**

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

## Rederiaktieselskabet Kuling Independent Auditor's Report

---

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

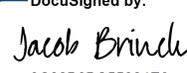

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## **Rederiaktieselskabet Kuling Summary of Significant Accounting Policies**

---

The Annual Report of Rederiaktieselskabet Kuling has been prepared in accordance with the provisions under the Danish Financial Statements Act applying to enterprises of Reporting Class - B.

Under Section 112 of the Danish Financial Statements Act, consolidated financial statements are not presented. Accounting policies remain unchanged from last year.

### **Translation of foreign Currency**

The functional and reporting currency is DKK.

Transactions in foreign currencies are translated at the rate on the date of transaction. Any exchange difference arising between the rate on the date of transaction and the rate on the date of payment are recognised as an item under financial income and expense, as net item in the income statement.

Receivables, debts and other monetary items in foreign currencies are translated at the exchange rate on the date of the balance sheet. The difference between the exchange rate on the balance sheet date and the rate at the time of recognition of receivables or debt is included in the income statement under financial income and expenses.

### **Other external expenses**

Other external expenses comprise audit fees, office expenses, other admin cost etc.

### **Dividend from subsidiaries**

Dividend from subsidiaries includes dividend declared by subsidiaries during the year.

### **Financial income**

Financial income includes interest, gains and losses on foreign currency items and fair value adjustment of securities and investments.

### **Company tax**

The Company is jointly taxed with Danish companies in the A.P. Møller - Mærsk A/S group and A.P. Møller Holding A/S. The current Danish company tax is distributed by allocating joint taxation contributions among the jointly taxed enterprises in proportion to the taxable income of these enterprises.

Income tax expense includes the current company tax for the year (the joint taxation contribution), and the change in deferred tax are recognised in the income statement with the share that can be attributed to the results for the year and directly in the equity with the share that can be attributed to the entries directly in the equity.

### **Investments**

Investments in subsidiaries and other securities and investments (not traded in an active market) are measured at amortized cost. Where cost exceeds the recoverable amount, write-down is made to this lower value.

### **Receivables**

Receivables are recognised at amortised cost, equal to nominal value. Provisions for bad debts are determined based on an individual assessment.

### **Equity**

Proposed dividends are recognized as a liability at the time of adoption at the general meeting. The expected dividend payments for the year is shown as a separate item under equity.

### **Liabilities**

Liabilities are measured at amortised cost, equal to nominal value.
