Statement by the Board of Directors and the Executive Board

The Board of Directors and the Executive Board have today discussed and approved the annual report of Equinor Danmark A/S for the financial year 1 January – 31 December 2020.

The annual report has been prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2020 and of the results of its operations for the financial year 1 January – 31 December 2020.

Further, in our opinion, the Management's review gives a fair review of the matters discussed in the Management's review.

We recommend that the annual report be approved at the annual general meeting.

Independent auditor's report

To the shareholder of Equinor Danmark A/S

Opinion

We have audited the financial statements of Equinor Danmark A/S for the financial year 1 January – 31 December 2020, which comprise income statement, balance sheet, statement of changes in equity and notes, including accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2020 and of the results of the Company's operations for the financial year 1 January – 31 December 2020 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit conducted in accordance with ISAs and additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are

Based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and contents of the financial statements, including the note disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the Management's review

Management is responsible for Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the Management's review.

Notes

Accounting policies

The annual report of Equinor Danmark A/S for 2020 has been prepared in accordance with the provisions applying to reporting class B entities under the Danish Financial Statements Act with opt-in of specific provisions for reporting class C. The financial statements have been prepared in Danish Kroner.

The accounting policies used in the preparation of the financial statements are consistent with those of last year.

Pursuant to section 112 (1) of the Danish Financial Statements Act, no consolidated financial statements have been prepared. Pursuant to section 86(4) of the Danish Financial Statements Act, no cash flow statement has been prepared. The financial statements and cash flow statement of Equinor Danmark A/S are included in the consolidated financial statements of Equinor ASA, Stavanger, Norway.

Recognition and measurement

Income is recognized in the income statement as earned, including value adjustments of financial assets and liabilities. All costs, depreciation, amortization and impairment losses are also recognized in the income statement. Assets are recognized in the balance sheet when it is probable that future economic benefits will flow to the Company and the cost can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow from the Company and the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described below.

Financial statements 1st January – 31st December

Notes

1. Accounting policies (continued)

Foreign currency translation

Transactions denominated in foreign currencies are translated at the exchange rates at the transaction date. Foreign exchange differences arising between the exchange rates at the transaction date and the date of payment are recognised in the income statement as financial income or financial expenses.

Income statement

Receivables, payables and other monetary items denominated in foreign currencies which have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. The difference between the exchange rates at the balance sheet date and the date at which the receivable or payable arose is recognised in the income statement as financial income or financial expenses.

Income from investments in subsidiaries

The proportionate share of the individual subsidiaries' profit/loss after tax is recognised in the income statement after full elimination of intercompany gains/losses.

Administrative expenses

Administrative expenses comprise expenses incurred during the year for management and administration of the Company, including expenses for administrative staff, office premises, office expenses, office supplies, etc.

Financial income and expenses

Financial income and expenses comprise interest income and expenses, realised and unrealised gains and losses on receivables, payables and transactions in foreign currencies. Financial income and expenses are recognised in the income statement at the amounts relating to the financial year.

Tax on profit/loss for the year

Tax for the year comprising current tax for the year, deferred tax provisions and tax relating to previous years is recognised in the income statement. Tax on entries directly in equity are recognised in equity.

The entities in the Equinor Danmark Group are jointly taxed. The Danish entities which Equinor Danmark A/S' parent company Equinor ASA controls are also included in the joint taxation. The computed corporation tax is distributed between the jointly taxed entities in accordance with the full distribution method.

Financial statements 1st January – 31st December

Notes

1. Accounting policies (continued)

Equinor Danmark A/S serves as the administrative company for the joint taxation and accordingly settles all payments of corporation tax to the tax authorities.

As a minimum, jointly taxed entities with excess tax are compensated in accordance with the applicable rates for interest subsidy by the administrative company, and jointly taxed entities with residual tax pay a surcharge in accordance with the applicable rates for interest rate premiums to the administrative company.

Balance sheet

Investments

Investments in subsidiaries and associates are recognised in the balance sheet at the proportionate share of the subsidiaries' net asset value calculated in accordance with the Parent Company's accounting policies. The cost is reduced by dividends received exceeding accumulated earnings after the acquisition date.

Net revaluation of investments in subsidiaries and associates is tied as a reserve for net revaluation under equity in accordance with the equity method to the extent that the carrying amount exceeds cost less goodwill amortisation.

Receivables from subsidiaries

Receivables from subsidiaries are recognised in the balance sheet at nominal value.

Receivables

Receivables are measured at amortised cost, usually corresponding to nominal value. Write-down for expected bad debts is made to net realisable value.

Cash at bank and in hand

Cash at bank and in hand comprise cash and unrestricted bank deposits.

Financial statements

1st January – 31st December

Notes

1. Accounting policies (continued)

Equity

Proposed dividends are recognized as a liability at the date on which they are adopted at the annual general meeting (declaration date). The expected dividend payment for the year is disclosed as a separate item under equity method.

Liabilities other than provisions

Trade payables and payables to group entities as well as other payables are measured at amortised cost, usually corresponding to the nominal value.
