# **Independent Practitioner's Report on the Financial Statements**

## ***To the shareholder of DuPont Danmark ApS***

We have performed an extended review of the Financial Statements of DuPont Danmark ApS for the financial year 1 January – 31 December 2017, which comprise income statement, balance sheet, and notes, including a summary of significant accounting policies. The Financial Statements are prepared in accordance with the Danish Financial Statements Act.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

### **Practitioner's Responsibility**

Our responsibility is to express a conclusion on the Financial Statements. We conducted our extended review in accordance with the Danish Business Authority's assurance standard for small enterprises and FSR – Danish Auditors' standard on extended review of financial statements prepared under the Danish Financial Statements Act.

This requires that we comply with the Danish Act on Approved Auditors and Audit Firms and FSR – Danish Auditors' Code of Ethics and that we plan and perform procedures to obtain limited assurance in respect of our conclusion on the Financial Statements and, moreover, that we perform supplementary procedures specifically required to obtain additional assurance in respect of our conclusion.

An extended review consists of making inquiries, primarily of Management and others within the enterprise, as appropriate, and applying analytical procedures and the supplementary procedures specifically required as well as assessing the evidence obtained.

An extended review is less in scope than an audit and, consequently, we do not express an audit opinion on the Financial Statements.

### **Conclusion**

Based on the extended review, in our opinion the Financial Statements give a true and fair view of the financial position of the Company at 31 December 2017 and of the results of the Company operations for the financial year 1 January – 31 December 2017 in accordance with the Danish Financial Statements Act.

# **Independent Practitioner's Report on the Financial Statements**

## **Statement on Management's Review**

Management is responsible for Management's Review.

Our opinion on the Financial Statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our extended review of the Financial Statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the Financial Statements or our knowledge obtained during the extended review, or otherwise appears to be materially misstated. Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financials Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

## **Management's Review**

### **Market overview**

DuPont Danmark ApS is a wholly owned subsidiary of the American DowDuPont Group and the main activity is reselling of crop protection products, the company also acts as commissioner for Performance Materials, and Electronics & Communications businesses.

The Company has its domicile in Copenhagen.

### **Development in the financial year**

Sales for 2017 were increased by 23% to 47.6 mDKK, compared to 35.4 mDKK in 2016. Profit before tax reduced by 29% from 9.1 mDKK in 2016 to 6.5 mDKK in 2017. Management considers the results as satisfactory.

The Company sold part of its Agriculture Business in November 2017, this transaction did not effect the turnover for 2017.

The business climate for crop protection products continues to be impacted by public concern for the environment resulting in regulations and taxes.

DuPont believes that full evaluation and understanding of the human health and environmental impact of our products is consistent with the company's core values regarding safety and environmental stewardship.

DowDuPont is committed to making certain that all DowDuPont products manufactured in or imported into the European Union area are in compliance with the EUs REACH legislation. To that end, DowDuPont will work closely with its suppliers and customers as we implement the regulations.

As a market-driven science company, DowDuPont has significant scientific and regulatory expertise to focus on market demands for safer and more sustainable products, while driving business growth.

### **Future development**

The company expects reduced turnover and profit in 2018 due to the sale of part of the Agriculture business in November 2017.

The DowDuPont Group has announced expected split by business units into 3 separate companies by 2019, this will also include DuPont Denmark ApS.

### **Capital resources**

The capital resource of the Company is considered to be satisfactory.

## **Accounting Policies**

### **Basis of Preparation**

The Annual Report of DuPont Danmark ApS for 2017 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B.

The accounting policies applied remain unchanged from previous years.

In accordance with section 110 of the Danish Financial Statements Act no consolidated statement has been prepared.

The Annual Report is presented in DKK thousands.

Danish kroner are used as the measurement currency. All other currencies are regarded as foreign currencies.

### **Recognition and measurement**

All revenues are recognized in the income statement as earned.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Recognition and measurement take into account predictable losses and risks occurring before the presentation of the Annual Report, which confirm or invalidate affairs and conditions existing at the balance sheet date.

### **Leases**

Leases entered into by the company are considered operating leases. Payments made under operating leases are recognised in the income statement over the lease term.

### **Translation policies**

Transactions in foreign currencies are translated during the year at the exchange rates at the dates of transaction. Gains and losses arising due to differences between the transaction date rates and the rates at the dates of payment are recognized as financial income and expenses in the income statement.

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the transaction date rates are recognised as financial income and expenses in the income statement.

## **Accounting Policies**

### **Corporation tax and deferred tax**

Tax for the year consists of current tax for the year and deferred tax for the year. The tax attributable to the profit for the year is recognised in the income statement, whereas the tax attributable to equity entries is recognised directly in equity.

Deferred tax is measured under the balance sheet liability method in respect of all temporary differences between the carrying amount and the tax base of assets and liabilities.

Deferred tax assets, including the tax base of tax loss carry-forwards, are measured at the value at which the asset is expected to be realised, either by elimination in tax on future earnings or by set-off against deferred tax liabilities.

The Company is jointly taxed with Danish subsidiaries. The tax effect of the joint taxation with the subsidiaries is allocated to Danish enterprises showing profits or losses in proportion to their taxable incomes.

## **Accounting Policies**

### **Income Statement**

#### **Revenue**

Revenue from the sale of goods for resale is recognised in the income statement provided that delivery and transfer of risk have been made to the purchaser by year-end. Revenue is recognised exclusive of VAT and net of sales discounts.

#### **Other operating income**

Other operating income includes services provided to affiliated companies.

#### **Costs of goods sold**

Costs of goods sold include costs of goods consumed to achieve revenue for the year.

#### **Other external costs**

Other external expenses comprise expenses for premises, sales and distribution as well as office expenses, etc.

#### **Staff expenses**

Staff expenses comprise wages and salaries as well as payroll related expenses.

#### **Financial income and expenses**

Financial income and expenses comprise interest, realised and unrealised foreign exchange adjustments.

### **Balance Sheet**

#### **Financial assets**

##### **Investments in subsidiaries**

Investments in subsidiaries are recognised and measured at cost or a lower recovery value. Dividends are recognised in the Income Statement when declared.

##### **Receivables**

Receivables are recognised in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts. Provisions for bad debts are determined on the basis of an individual assessment of each receivable.

##### **Provisions**

Provisions are recognised when - in consequence of an event occurred before or on the balance sheet date - the Company has a legal or constructive obligation and it is probable that economic benefits must be given up to settle the obligation.

Provisions are measured at amortized cost, substantially corresponding to nominal value.

##### **Liabilities**

Liabilities are measured at amortized cost, substantially corresponding to nominal value.
